When Do We Ship?

Here at Opel Growers, we schedule our orders by week numbers, and we also label our availability reports by those week numbers. This may be confusing, so please refer to the table below to see what form you should place your orders for during the Spring Season of 2025:

<u>Week #</u>	<u>The Week Of:</u>
13	March 24 th – March 28 th
14	March 31 st – April 4 th
15	April 7 th – April 11 th
16	April 14 th – April 18 th
17	April 21 st – April 25 th
18	April 28 th – May 2 nd
19	May 5 th – May 9 th
20	May 12 th – May 16 th
21	May 19 th – May 23 rd
22	May 26 th – May 30 th
23	June 1 st – June 9 th
24	June 11 th – June 16 th

If you're unsure of the week number when placing an order, you can always refer to this table, OR just put the date you'd like to order for, and we'll assign it to the week that date falls under. Our customer service department is always available to answer any questions regarding this as well.

Please note: We do still ship weeks 25-38 as truck routes are available. Routes are scheduled as we get closer. Fresh products will still be available during the Summer and Fall seasons.
